Snow College Summer Camp Safety Statement

Student safety is our top priority at the Snow College Summer Camp. As part of Thursday's required attendance, all participants will receive safety instruction before engaging in any hands-on activities.

Students will be working in areas that involve specialized equipment and materials, including carbon fiber, welding, machine tools, and automation systems. Each of these areas presents potential hazards if proper precautions are not followed. To ensure a safe learning environment, students will be required to:

- Follow all instructor directions at all times
- Wear appropriate personal protective equipment (PPE) any required PPE will be provided.
- Use tools and equipment only as instructed
- Maintain awareness of their surroundings and fellow participants

Qualified instructors will supervise all activities, and safety protocols will be strictly enforced. Any unsafe behavior may result in removal from the activity.

By attending, students agree to follow all safety guidelines to help create a secure and productive environment for everyone.

I have read the information about the activity for which my child is registered for including a description of the Activity and understand the risks involved. I have carefully read and understand the contents of the foregoing language and I specifically intend it to cover my child's participation in a Snow College Activity.
