

SNOW COLLEGE CAREER CENTER

Career Center Staff work with local, state, and national employers to post more than 400 paid internships and 5,000 career positions every month for Snow College students.

MISSION

We connect students and employers to jobs, internships, and careers by:

- Providing excellent, innovative customer service to both students and employers
- Matching students' educational goals to career readiness
- Engaging employers and community members to ensure students are well trained and Snow programs match regional needs

DESCRIPTION

- We engage and train students in job search skills and workplace readiness
- We consult with employers to develop employee recruiting programs or internships that meet or exceed national standards and labor regulations
- We advise faculty on the development of internships or careers for their students
- We advise administrators on regional labor market conditions and employer training needs
